Goals and Tasks

Her goal is to find an accommodation near the university and to find a yoga class near to the accommodation.

Expectations

- An Accommodation which has to be near to the university.
- Accommodation has facilities like Wi-Fi, and all the amenities.
- She has to accommodate all her things in her room, so wardrobe needs enough space for that.
- The accommodation must have the facilities like Oven, Washing Machine, Heater, etc.
- There should be Yoga Classes near to the accommodation.

Scenario

Amy was in a hurry to find a new accommodation near her university. She tried to find an accommodation by sourcing the details from the agents and from the nearby stores, where agents asked for commissions to setup a home for her.

She came to know about the Student Accommodation website, which helps her to find an accommodation near her university with all her needs fulfilled and with 0 commission. She even finds a Yoga class near to her accommodation.

She is now super happy that she easily finds an accommodation which she likes with the limited budget with no extra cost. She is happily living in her new home.
